Council President Elo-Rivera's Statement on the Proposed Sidewalk Vending Ordinance

San Diego – Council President Sean Elo-Rivera releases the following statement on the proposed Sidewalk Vending Ordinance:

“In December, my office committed to a transparent, thorough, and expedient process for the Council’s consideration of Councilmember Campbell’s proposed Street Vendor Ordinance. With a draft now available to the public, I am committing to docketing the ordinance for consideration by the full Council at our March 1, 2022 meeting if the Council’s Economic Development & Intergovernmental Relations Committee moves the item forward at their February meeting.

I’m sharing the planned docketing date because our office recognizes the importance of this issue to many San Diegans and we believe it is critical community members have ample time to read, analyze and make suggestions so that the Council can make the best choice possible for our city.

Thank you to Councilmember Campbell and her staff for bringing this important legislation forward.”

Council President Elo-Rivera represents San Diego’s Ninth Council District including communities of City Heights, Rolando, Southcrest, Mt. Hope, Talmadge, Mountain View, Kensington, El Cerrito, and the College Area. He is the Chair of the Rules Committee.
